	<b>TOTAL MAXIMUM REBATE = \$250.00</b>

### To obtain your rebate:

1. Include original receipts as proof of purchase of equipment.
2. Submit receipts and this form (filled in and signed) to:

South Jordan City  
Attention: Ana Paz  
1600 W. Towne Center Drive  
South Jordan, Utah 84095

Please review the following program guidelines and other important information:

- Please allow two to three weeks to process the request. A check will be mailed to the address listed above.
- The voucher is non-transferable. Only the person whose name appears on the voucher can redeem and sign it.
- Devices received by homeowners for the program are for their own personal use in the location listed above and shall not be resold.

- The voucher is for South Jordan City's Smart Irrigation Controller and Weather Station Program only. No other refunds or rebates will be issued.
- South Jordan City makes no representation or warranty that the homeowner will be satisfied with the performance of the controller or weather station.
- South Jordan City assumes no liability for any loss, damage or expense in connection with the materials, workmanship or fitness of the controller and weather station; or the installation of the controller and weather station; or with the use of these items.
- Homeowner hereby releases and agrees to hold harmless South Jordan City and its employees from any and all claims, losses, harms, costs, liabilities, damages and expenses directly or indirectly resulting from or related to the controller and weather station units.
- Any controller and weather station for which a voucher is issued is subject to an on-site installation verification. If the controller or weather station installation cannot be verified, the homeowner shall return the full rebate amount to South Jordan City. Units must be installed within 30 days of homeowner's receipt of the controller and weather station.
- South Jordan City does not warrant or assume any liability for the design, manufacture, installation or operation of any controller or weather station. South Jordan City makes no warranty, express or implied, including, but not limited to the warranty of merchantability and the warranty of fitness for a particular purpose, about any controller or weather station received, installed, or used by Applicant. For SmartLine Controller and Weather Station warranty information, contact Weathermatic at 888-4 THE PRO or visit [www.weathermatic.com](http://www.weathermatic.com).

For purposes of determining the water-saving effectiveness of this program, *homeowner agrees to allow the City of South Jordan to examine municipal water use records of participating residences and businesses. The homeowner also allows City staff to examine purchased equipment that has been installed and allow monthly readings of the controller.*

I understand and give permission for my water use records to be examined:

South Jordan City's Water Conservation Program is a landscape product rebate program of South Jordan City funded by Jordan Valley Water Conservancy District. Effective rebate date will begin on March 15, 2008 until funds are exhausted. Rebates are offered independently of any sale prices or rebates that may be concurrently offered by manufacturers or vendors. The filing of this rebate form does not constitute an agreement between the filer and the City. Acceptance of this form does not constitute acceptance of filers claim for a rebate or guarantee that filer shall receive any funds as all rebate awards are made subject to funding limitations.
